Seclira®

Pressurised Insecticide

The clear choice

All the ground-breaking advantages of the Seclira WSG formulation in a pressurised pack.

Up to 3 months' residual control of common insect pests

Dries clear and odourless for convenient use in sensitive situations

Easy, precise application into cracks and crevices

Uses BASF Genuine Transfer Effect technology to rapidly control whole colonies of social insects

For more information on the whole Seclira range, visit crop-solutions.basf.com.au or contact your local BASF representative on **1800 558 399**.

ALWAYS READ AND FOLLOW LABEL DIRECTIONS.
